ESC, Inc., an SBA certified Women-Owned Small Business (WOSB) and Small Disadvantaged Business (SDB), has over 25 years of experience delivering high-quality services, to both the public and private sectors, which set the bar for excellence in contracting. Our proven program management approach, guided by our ISO 9001:2015 certification, ensures successful, efficient product and service delivery, often resulting in substantial cost savings for our clients.

We offer a unified, centralized management structure; attention to service and responsiveness to customer requirements; strict adherence to all applicable security regulations, policies, and procedures; and open communication among Government team members and leadership, personnel, constituents, and stakeholders.
