ESC, Inc. agrees the fixed escalation rate applicable to the three (3) five-year option periods will be based on Employment Cost Index, Series ID: CIU2010S000100000A (B, I). This index will be used at the time of Option Exercise to calculate an average percent to determine the fixed annual escalation for the Option Period. The average percent will be calculated using five years starting with the latest available quarter showing the 12-month percentage change and going back four years.
